

### HEAD TEACHERS LETTER

On behalf of all the staff, may I wish you a warm welcome back to school. I hope you all had an enjoyable Easter, and are looking forward to a sunny Summer term. I would also like to welcome Michelle Bellamy to the staff team; Michelle takes up our new role of Pastoral Support Manager this week. As part of her role, Michelle will be available to spend some time working with parents, I hope this is something that many of you will find beneficial.

I am pleased to say Year 2 are now back in their classrooms and back to normal routines. Thank you for your support in helping to keep the school open before Easter, when it was flooded. Due to the flood, Lions and Tigers did not have their reading cafes before Easter, so theirs will be held this half term. Reading cafes for all classes will then continue as normal after half term. We are also looking forward to seeing you at our sports day, which will be held on the last Friday of half term.

As always, if you have any concerns please do not hesitate to speak to myself or another member of staff, we will be happy to help.

### Water Bottles

Please can we remind you that the children are only allowed water in their classroom bottles during the day and no squash. This is especially important during the summer months to avoid problems with attracting Ants.

Thank You

### Bookbags

Please ensure that any trip returns, Friends money or after school clubs slips are in a named envelope and either handed to the office or a member of staff in your child's class, and **NOT** put in book bags.

This is to ensure returns are prompt and money is not mislaid. Please continue to use the book bag as correspondence with your child's class adults. Also, please could drinks bottles not be put inside book bags - we are getting a few leakages!

**Reading cafes** – we invite you to come into school to enjoy a story read to you and your child's class by either the staff or a visiting reader. This will be followed by an activity planned by the staff for you to enjoy with your child. Coffee and biscuits will be available. This is a lovely opportunity to spend time with your child in school learning and having fun together. The cafes have been a huge success so far and your children really do look forward to seeing you there.

### Car parking.

Please can we ask anyone coming to school by car to be courteous to our neighbours on Recreation ground Road.

We have had complaints advising us that parents have parked in front of their drives and on one occasion on their drive. There is a car park at the end of the road on the recreation ground with a nice walk through the recreation ground to school off the road.

Thank you for your Support in this matter.

### Dogs

Please can we make all parents/carers aware that dogs are not permitted on the school grounds. Can we also ask that if you tie your dog up to the gates/fence that it does not impede children's access to the school. Not only are some children afraid of dogs but we also have children that are allergic to them.

Many thanks for your co-operation in this matter.

### Sickness

Please can you inform the school if your child will be absent from school. The school has a 24hr answering machine for reporting a child's absence.

If your child has sickness and/or diarrhoea they need to be clear for 48 hours before returning to school.
