Help make a mark!

Dear Parent/Carer

Today in assembly we listened to the story The Dot. The story is about a little girl who didn't think she was very good at art and didn't want to draw. However her teacher believed in her and she started to believe in herself and she became an artist. We always encourage children to have a go and dream big! We want to create a display in the hall where all our children 'make their mark.' We would like your help.

If you would like to watch the story with your child at home here is the link:

<https://www.youtube.com/watch?v=vKCsqbiCxE8&safe=active>

We have sent home a circle for you to decorate in the class colour. Please get creative – you can paint, colour, cut and stick but do cover the whole circle. Write your child's name on the back of the paper so we know who it belongs too. If you would like to create additional circles then please feel free we are happy for any size. Each class has a colour as listed below, we want a range of shades in that colour so there is no right or wrong.

Turtles - Pink

Tigers – Red

Pandas – Orange

Lions – Yellow

Zebras – Green

Llamas – Blue

Koalas - Purple

Please complete the plates and return to the school office by Wednesday 22nd January. We will be adding to the wall in school too!

Here is example of dots:

This is part of our work for our 6 Cs and will be a whole school collaborative project. If as a parent you would like to add a dot to our wall you are also more than welcome. Please stick to your child's class colour and again write your name on the back of your circle!

If you have any questions regarding this please ask at the office or email deputyhead@sprowstoninfant.norfolk.sch.uk.

Many Thanks

Emma Wyatt
