HEAD TEACHER'S LETTER

Dear Parents/carers

Welcome back to school and the start of a new year, I hope you all had an enjoyable Christmas time. The children are back into the swing of things already and have been working hard since we came back.

At the moment you will see building work at the front of the school, this is because we are expanding our specialist resource base. It is part of Norfolk County Council's 'SEN transformation' project and we are very excited to be extending this service to more children. We are planning to open after February half-term and gradually increase numbers from the current 10 up to 18 by September.

Please see attached a list of dates for the term, you will see there are many Reading and Maths cafes, these are all opportunities for you to come in and work with your children in school, and find out more about what they have been learning. We hope you will continue to support these events and enjoy them. And remember, it doesn't have to be a parent who attends, other family members are welcome too.

We look forward to seeing you throughout the term, however, if you do have any issues you want to discuss in the meantime, please do not wait for an event, we are always happy to help. Best wishes for the coming year,

Mr R Edwards
