

## Sprowston Infant School Sport premium spending 2020/2021

Department for Education Vision for the Primary PE and Sport Premium:

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following OBJECTIVE:

*To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.*

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport.

Sprowston Infant School recognises that the development of a healthy lifestyle in children is hugely important as PE and sport raises self-esteem and confidence thus having a wider impact on their achievement and progress. As such we see physical education as a co-contributor to our children's wellbeing and we have developed it alongside the existing work we partake in that focuses on diet and emotional welfare.

<b>Academic Year 2020-21</b>					
<b>Total allocation: £17,100 + £3200 carried forward = £20,300</b>					
<b>PE and Sport Premium Key Outcome Indicator 1/2/3/4/5.</b>	<b>Actions to Achieve</b>	<b>Approximate Funding</b>	<b>School Focus/ planned Impact on pupils Evidence</b>	<b>Actual Impact (following Review) on pupils</b>	<b>Sustainability/ Next Steps</b>
2/4/5	Buy resources for sports day + LB coaching to do different activities	£200	Competitive element – medals, teams etc emphasised to give children experience of this. New activities not previously experienced e.g. previously archery and fencing.	Sports Day to be held internally due to covid.	
2/3	Sports coach to teach two sessions weekly, which are observed by staff.	£1900	School staff are upskilled in teaching PE and able to teach better lessons as a result, leading to better quality provision for pupils and better PE teachers.	Not able to do due to covid risk assessment.	
1/4/5	LB Coaching/NM will provide sessions of Lunchtime PE each week. New soundsystem for playground purchased.	£3563  £183	Sports coaches will support children to learn new sporting games at lunchtime. They will be encouraged to try out new skills and learn about sportsmanship and being a team player.	Achieved – external sports coaches not able to be used due to covid, but more MSA time. New equipment has been bought to give a range of activities supervised by MSAs. NM leading organisation of this. Lunchtimes are more enjoyable, amount of physical activity had increased.	Depending on covid risk assessment, bring back LB coaching to further extend activities and add specialised coaching.
1/2/3	Active curriculum scheme	£1045	Use activities from the scheme in everyday learning of English and Maths, to integrate physical	Following investigation, Active Curriculum was not felt	

			activity and academic learning, and increase children's physical activity. Also improve skills and confidence of staff teaching physical activities.	to be suitable. However, active outdoor learning has been used across year groups.	
1/2/4	<p>Remove redundant play equipment from back playground and make good surface New trim trail back playground + safety surface</p> <p>Maintenance of YR/Y1 outside areas – surfaces.</p> <p>Equipment for outside areas YR and Y1</p>	<p>£13,298</p> <p>£awaiting quote</p> <p>£awaiting quote</p>	The new structural Improvements will mean new opportunities for children to practise physical activities that will enhance their Gross Motor Skills and improve pupils' self-confidence and self-awareness.	Work took place Aug-Sep 2021. Children trained to use equipment – increased activity daily. Impact ongoing.	Continue to improve and develop outdoor areas to make more suitable for physical activities/exercise.

**Total Spend: £17,244 Budget Remaining: £3056**
